# Happy Holidays!

## Hello CATOE Members!

Hope that you enjoyed our social at Mundelein last month with Zach Frame. He did a great job for us and showed off the "jazzy" side of the big Wurlitzer.

As you are all aware, CATOE is hosting the 65th Annual ATOS Convention in 2023. We are starting work on the organs that will be used during the convention. In addition, the regular meetings of the Convention Committees will resume in January. If you are interested in helping with either, please contact Taylor Trimby. Phone—815.955.0522 or email [CATOE2023@att.net](mailto:CATOE2023@att.net). Meetings are held via Zoom.

On behalf of your CATOE Board of Directors, we wish you a safe and wonderful holiday season and hope for a better 2022 and be able to socialize more in the new year!

## DUES ARE DUE !

With the pandemic and restoration efforts, we were not able to offer many events in 2021. We remain hopeful that we can get back into the swing of things in 2022 and socialize with our membership once again.

Our dues remain the same and hope that you will renew for 2022. Your membership dollars not only are used for socials, but also to maintain the 5 theatre organs that CATOE supports. This is especially important as the ATOS Convention nears! ***Thank you all!***

## Around the Area

The Joliet Chapter (**JATOE**) will be having their next social on January 30th at the Rialto Theatre featuring **Jelani Eddington** performing on the Barton Grande. In February, **Taylor Trimby** will be the artist for the afternoon on the 27th. **CATOE** is welcome to attend both events. Enter through the stage door on Scott Street. Doors are at 1:30 and programs begin at 2:00 pm.

CATOE's Mighty Wurlitzer at the Tivoli was played frequently during the holiday season with pre-show holiday tunes as well as sing-alongs before the movies started. The folks in attendance for these events enjoyed the music and also were in good voice!

Have heard from a couple of our members that they are not receiving the newsletter or not receiving it in a timely manor. I know there have been many reports of mail issues — and with the USPS going to slow first class delivery stating October 1 — **Maybe it is a prudent idea to have your CATOE Newsletter delivered electronically if you have the ability.** Remember that all newsletters are available for viewing on our web site at **WWW.CATOE.ORG.**
